
ENIGMAS Puzzle Hunt (RED) - Pokerdeck

ENIGMAS Puzzle Hunt Playing Cards are a uniquely designed deck that includes four very special cards, each with its own puzzle for you to solve. Solving all four puzzles will unlock an incredible, multilayered, eight-step puzzle hunt. Combine answers from every puzzle you've solved along the way and you will reveal the final, meta-puzzle answer. A true puzzler's paradise!

In addition to the four puzzle cards, there are also codes hidden in various design element throughout the back artwork. Enigmas were printed by The US Playing Card Company.

The same cards and puzzles as the Blue ENIGMAS however with a brand new color scheme and housed in a beautifully crafted, specially designed tuck box complete with premium vellum paper stocks, Pantone ink, silver foil, an extra layer of embossing and a very special die-cutting revealing part of the playing cards back design.
