
Omamori by Hanson Chien & YAO

A CHARM THAT CAN REVEAL ANY MESSAGE

It took Hanson Chien and Yao three years in development and with the presentation and explanation by a rising-star magician of Taiwan - Sean Chou. Based on the "Omamori" in Japanese culture, it can reveal any message through the light.

BASIC EFFECT

By allowing the light to go through the **Omamori**, spectator's message is emerged and revealed!

You can allow a message to be changed, or even make it disappear. You decide what you want it to look like: A trick? Or a miracle?

Omamori is easy-to-carry and can be attached on your bags or on a key chain. This **Omamori** will be the every magician's must have!

SEE WHAT THE PROS ARE SAYING

"The traditional omamori is a lucky charm. If you buy the new magic Omamori you will have very good luck, because it will amaze your audiences and they will like you!"

- Max Maven

"Ingenious! A mystical conversation piece that blends the Koran medallion with a Hofzinsler card."

- Dan White

"Omamori is neither a trick nor a tool. It is a miracle. It will shake spectators' belief and deepen their faith. What Omamori exerts is the power of faith."

- G

"A masterpiece without a doubt. Omamori is not a trick but a miracle, it has become my everyday carry."

- Sean Chou

"Omamori is the piece I appreciate this year. It is the beautiful artwork, but with using it to the great extent, I think your performance in mentalism will go to a whole new level."

- Perl Lee
