# Fantast Gold - Pokerdeck

## FANTAST GOLD by Bond Lee & MS Magic

In spring 2018, Bond Lee produced his first deck of playing cards FANTAST, all 2500 decks were sold out. Now we are proud to present the 2nd generation this beautiful playing card, **FANTAST GOLD**.

Collaborating with MS Magic Production, this deck is printed with the air-cushion finish. The outstanding quality guarantees a smooth handling for everyone.

To the ones who own this deck: we hope you can pursue your dreams courageously.

### Art and Concepts

The design originates from a butterfly. Dreams are like butterflies in various ways: beautiful, yet it can be fragile. A resemblance of reality against illusions. The circular spiral pattern exhibits a magnificent level of fine art. The blue background reflects the sky, dreamlike and mystifying like the butterfly.

The Joker has a triangle embedded inside the butterfly, representing dreams, life and demeanor. The whole design merges seamlessly with these ideas as well as elegance.

Bond Lee wants to show how powerful dreams can be to the world. With this deck, he has fulfilled his life's goals and is pursuing his dreams courageously, as can we all.

FANTAST are printed on premium-quality German Koehler playing card stock with an air-cushion finish by MS Magic Production, providing a astonishing feeling when manipulate.

Card back are beautifully gold foil stamped, making the design look absolutely stunning. Tuck cases made of premium quality paper stock by from Germany, gold foil stamping.
