Printed by Pure Cards - Pokerdeck

Unique fully custom playing cards designed for cardist, Magicians and Card Enthusiasts alike. Printed in the United States by USPCC and Designed by Adrian Valenzuela.

The Design

This unique deck of cards was designed by the one and only Adrian Valenzuela. He has designed a wide variety of stunning decks including very popular Memento Mori Playing Cards.

The design itself is fully custom featuring geometric artwork and a flurry of colors. The tuck box features a full wrap design perfect for 3 deck displays.

Printed by USPCC

The deck was printed by USPCC on premium (formally known as BEE) stock and features a linen finish.

Limited Edition

A total of 1,091 decks were printed with 200 of these being gilded
