
Carat DS1L Deck Sleeves (5 Pack)

Carat Case Creations presents the **Carat DS1L Deck Sleeve**, a slightly larger version of the original Carat DS1, an affordable and durable solution for your daily carry deck of cards as well as collectable decks you wish to display or just store.

The **Carat DS1L** is made of 0.3mm clear, archival safe PET, allowing full viewing of your deck from all sides while providing good protection against knocks and bumps. The DS1L has dimensions of 6.8 x 9.4 x 2.1cm and the Carat Case Creations logo is mustard yellow, for easy differentiation from the DS1 (white logo) while trying as best as possible, not to interfere with the view of your deck.

The Carat DS1L weighs only 9g or 0.32oz and comes unfolded with a protective film on the outside for easy, safe shipping. Once ready to use, simply peel off the protective film, fold the flaps together and assemble the DS1L.

With the Carat DS1L, you no longer have to worry about your deck or tuck getting all banged up in your pocket or daily carry bag. It's also an affordable way to protect a large number of decks while still displaying or showing them off to your friends!
