Looking for the PERFECT card revelation? Look no further!

Imagine this, the spectators selects a playing card at random, and with MINIMAL MOVEMENT, the label on the bottle of soda changes and reveals the selected card! The bottle of soda has been in full view this entire time!

Card revelations are usually very elaborated with SUSPICIOUS LOOKING props. Not anymore! What we have now is a built in revelation for an ORGANIC item - a bottle of soda! Card revelation will finally make sense!
