
Cheek to Cheek 2021 by Tenyo Magic

Have the spectator select and memorize one card. After the card is returned, shuffle so some cards are facing up and some are facing down. However, if you cast a spell, the orientations of the cards will be aligned instantly, and only the card the spectator selected will be facing up!

This trick deck lets you perform a famous magic trick, known as "Triumph", with no skills required. These detailed instructions cover a basic presentation and a fully worked-out presentation, as well as even more mysterious visual ideas. Please take the time to master this trick.

Items included:

- Gimmicked deck of cards
- Instruction sheet
