
Spidey's King Con by Richard Sanders

An AMAZING 4 Card change, with a Comedy Twist and a KNOCK OUT FINISH!

EFFECT:

Four 'HAND-DRAWN' playing cards are used to demonstrate a ridiculous card cheating technique.

The comic presentation causes the spectator to question the magician's sanity. Then SUDDENLY, under IMPOSSIBLE CONDITIONS, all 4 cards suddenly CHANGE INTO REAL PLAYING CARDS right under the spectator's nose...even in their own hands.

This is a powerful 4 card change where the cards never leave their sight...and EVERY CARD CHANGES.

It's a ridiculous presentation mixed with a REAL MAGIC finish...that catches them way off guard

And (using one of the included handlings) everything is completely examinable...with NO PALMING and NO SLEIGHT OF HAND.
