## **Paisley Royals (Red) by Dutch Card House Company - Pokerdeck**

The team at Dutch Card House Company continues to surprise with three stunning new additions to the Paisley playing card series, a luxurious set designed with the magician and collector in mind.

Inside, the card back features the well-known Paisley pattern in a garnet Red background completed with scarlet red and gold metallic ink for the Red Edition, while the Teal Edition, combines the majestic teal colourway with sapphire and gold metallic ink. The golden ink on both editions bleeds over the border for the most royal appearance.

The Purple Edition has a numbered gold foil seal on the bottom of the tuck case and only 1000 were made!

Paisley playing cards were developed with practitioners of sleight of hand in mind. Therefore, the **Paisley Royals** have a classy recognizable traditional look with adjustments made to the colour composition to fit the overall theme of the decks.

**Paisley Royals** feature the same marking system for suits and value! It is integrated into the detailed paisley back design. It is easy to read for the trained eye and completely invisible to your audience.

**The decks come with really nice gaff cards, 3 Jokers and a theme fitting extra reveal card to level up your magic routines.**

The **Paisley Royals** are packaged in a luxurious matte tuck box manufactured with two-color hot-stamped foil and embossing! For an extra glamorous also the inside of the tuck case has the paisley pattern printed with gold foil!

Printed by the USPCC on their famous Bicycle grade stock, crushed and traditionally cut!
