## Green Remedies by Madison x Schneider - Pokerdeck

As magician the **Green Remedies by Madison x Schneider** are your weapon of choice. A symbol of creative freedom, free from the constraints of any trends that will surely suit your art. Custom pips and indices as well as redrawn court cards with new faces give the cards a modern look and feel that runs through the entire deck. Packed with **hidden secrets and built-in magic tricks**, including a 9 of Clubs **Angle Zero gaff** and a series of hidden revelations with an incredible quality of stock (and traditionally cut). Madison and Schneider are so proud to present this minimally wonderful weapon of deception.

- Manufactured by the United States Playing Card Company
- Printed on premium (Bee) thin crushed paper stock
- Traditionally cut
- Custom front and back
- Angle Zero gaff
- Hidden revelations for your magic routines
