## **MUMMY MAGIC by Mago Flash**

**Mummy Magic** is a magic trick with multiple magic effects and very fun. The magician can show the tomb freely on both sides. Then the magician removes a treasure inside the tomb but the hand of a mummy appears and pulls it back again. Finally the magician removes the treasure from the tomb. When the magician opens the tomb there is a talking mummy, The mummy asks him to remove the bandage from his face that he cannot breathe. The magician magically removes the bandage But the magician takes too much and leaves the mummy almost naked.

Note: Bandage for the mummy is not included with Mummy Magic.
