
Rice Spectrum Silk 12" (Orange) by Silk King Studios

After a study of the effects of stage lighting on solid colored silks, Silk King Studios created a matched color range of the very brightest colors possible. Our solid color SPECTRUM SILKS are considered to be the brightest silks on the market. They sparkle, colors are fast, and they have the famous Silk King Studios 1/16" flat magic hem!

Solid colors available in: Green, Yellow, Blue, Orange, Red, Purple, White, and Black.
