
Skymember Presents: NOMAD RING Mark II (Bitcoin Gold) by Avi Yap, Calvin Liew and Sultan Orazaly

VISUALLY transform a coin into a ring WITH NO COVERS and vice versa!

In early 2020, Sultan Orazaly and Avi Yap have been working on a groundbreakingly visual coin and ring routine. They wanted something that was DIRECT, INSANELY VISUAL and yet something that was EXTREMELY EASY to do. That was Nomad Ring.

Soon later, Avi uploaded the routine on Instagram, and it immediately exploded! It went viral with close to 30k views in less than a day! The routine gathered many praises from the best magicians from all over the world, from David Williamson, Jeffery Wang to Luke Dancy and more!"

"You really are posting some beautiful and unbelievable stuff! I love it!"

- **David Williamson**

*"Damn, that s*it is crazy!"*

- **Luke Dancy**

*"Fu*k! This is too strong for me!"*

- **Jeffrey Wang**

"Yeah Avi, take my money!"

- **Ryan Bliss**

We were also overwhelmed by the number of requests for us to release this routine, and so we did! And it sold out in less than a day! However, before restocking, our team saw many room for improvements and so we went back to the drawing board. We weren't and will not be satisfied to produce a subpar level product, we just want the best.

After many months of working, we at Skymember Presents are proud to bring to you a BRAND-NEW Nomad Ring. With a completely new gimmick and routine, we name it **Nomad Ring Mark 2**.

We've redesigned and reengineered the gimmick from the ground up. Calvin led the RND team through countless iterations to find the best possible material in order to craft the best gimmick.

Teaming up with Alchemist Coins Co, we are now able to deliver extremely high-quality gimmick at an extremely affordable price!

Apart from the changes we've made to the gimmick, Nomad Ring had also evolved. Thanks to the redesigned gimmick, the coin is now completely examinable. Coming with several new ideas and handlings, the routine has become more dynamic and modular than ever!

We are proud of how the original Nomad Ring turned out and we can't wait to get this new one in your hands! Come on in, to **Nomad Ring Mark 2**. Available now, worldwide.
