
Piano Deck by JL Magic

Introducing **The Piano Deck**, printed by US Playing Card Company, produced by JLCC. the first playing card deck in the upcoming Jazz Production Playing Card series.

Based on the design idea of the famous magician Choi Hyo-Won in Korea, he wanted his cards to showcase the physical beauty and elegance of a piano.

Like a conductor, **The Piano Deck** marries music, art and movement to capture your emotions.

Cardists, magicians and card enthusiasts will love the contrast of the black and white keys with the whimsical music bars featured in the middle.

Create dramatic fans, cuts and unique displays of your creativity with **The Piano Deck**.
