
Poor Old Charlie Dingle by Paul Gordon

This is a STUNNER!

It's a technical reworking (lots of changes and, excuse immodesty, improvements) of Derek Dingle's Poor Charlie. Top-quality extra-special bespoke cards supplied. Long lasting plastic coated! Online video tutorial. There are TWO stunning surprises. It's a heck of a closer for your act.

Effect: A fairly average poker hand magically transforms into a royal flush and all the backs change...in an even more bizarre manner!
