## **iPad Appearing Dove by 7 MAGIC**

The magician shows an iPad to the audience, which is on and has its Home screen, you can show it from front and back. Now magicians just pass a handover and beautiful dove picture will appear on iPad.

In the next phase magician then pulls real dove out from iPad and the picture on the iPad gets vanishing leaving it on the home screen on again.

- Beautifully made
- Easy and quick
- Effective

This item includes the (gimmicked - fake) iPad, comes with basic video tutorial, use your own dove.
