
The Magical Mentalism Tour by Mel Mellers - Buch

A brand new book from Mel Mellers. Magicseen Publications is delighted to announce the publication of another collection of terrific material from comedy mentalist Mel Mellers. Entitled the **Mel Mellers' Magical Mentalism Tour**, this 9" x 6" soft back book runs to 92 pages and features 28 of Mel's mentalism ideas, each of which is commercial and entertaining.

It also has an interesting essay on getting the basics right as well as three further pages of great one liners to use in any act. Mel's methods are practical and uncomplicated - he has a real gift for getting directly to the nub of what is needed to create any desired effect - and so there will be many ideas which will soon be finding their way into the repertoire of magicians worldwide. Those who bought Mel's first Magicseen publication (The Travelling Trickster) will no doubt be delighted to get hold of more of Mel's funny mental material.
