## **Envel - Epic by Bazar de Magia**

Imagine you are in a Casino. A spectator thinks of a roulette number another spectator rolls 2 dice and finally a spectator chooses a Black Jack play now your three predictions match those of the spectators, you will be able to predict three random choices from three spectators. A shocking and very easy to perform magic effect. Three spectators, three random thoughts or choices and three predictions that will absolutely match the three choices when revealed.

**Envel Epic** will make you receive great applause.

That is our prediction.
