
BILLFOLD 2.0 (Pre-mades) by Kyle Marlett

5 years ago Kyle Marlett released "Bill Fold" and people LOVED it! He now brings you "**Bill Fold 2.0**"! Kyle walks you through all the ideas in the original release as well as adding so many new ideas that we know you are going to love. This improved gimmick is smaller, quieter, and more versatile than ever before. The best part is that **Bill Fold 2.0** is extremely easy and the trick can end completely clean!

There are many applications that can be learned with **Bill Fold 2.0** and Kyle Marlett will show you what affects he has created utilizing Bill Fold over the last 5 years.

Full routine included:

Card and Bill Transpo - The performer wagers a dollar that they will be able to find the spectator's chosen card. The performer then places the dollar in the spectators fist. They reveal a card, it being the *WRONG* card. "I guess you get the dollar," they say to the spectator as they change the playing card *INTO* a dollar bill! When the spectator opens their hand, they discover that the dollar they were holding has changed into their folded selection.

Other applications with **Bill Fold 2.0** included:

- Credit card to bill
- Bill change (ex. \$1 to \$100)
- Paper to Bill
- Candy wrapper to bill
- Split a \$5 bill to 5 \$1 (or any other currency)
- Torn and restored
- Moving ink routine
- Mentalism word reveal

With the purchase of **Bill Fold 2.0**, you will receive online instructions and a pre-made gimmick that only requires you to attach a bill or other currency to do the effect. All paper or plastic currency can be used, giving this gimmick limitless uses.
