
APPEARING FISH IN BOWL by Sorcier Magic

An bowl is shown to the public, it only contains water. A scarf is shown from all sides and the bowl is covered for a second.

After scarf is removed, a group of goldfish appears inside the bowl. A stage effect that always creates charm in the audience.

Inspired by the ancient oriental magic of Chung Ling Soo, carefully made, it measures 22cm in diameter, made of high quality resistant plastic.

It is possible to use any scarf, fan or other cover. You can produce two, three or four goldfish and perform the effect surrounded by the audience.

Enclose instructions for use.
