
Rubinstein Coin Magic (Hardbound) by Dr. Michael Rubinstein - Buch

RUBINSTEIN COIN MAGIC is FINALLY here!

Dr. Michael Rubinstein has finally taken a lifetime of coin magic and put it inside his new book, **RUBINSTEIN COIN MAGIC**. Packed within these 500 pages you will find twenty chapters with over fifty original techniques, over ninety complete routines and signature presentations, all illustrated with 930 crisp photos. There is even a BONUS section with over 400 puns and one liners for any occasion! You will not only learn the magic he has been performing and teaching over the past fifty years, but the new ideas, plots, and techniques that he has held back for years!

But that's not all! There are additional contributions from some of the world's finest coin magicians, showcasing many of the new techniques employed in modern coin magic today. **RUBINSTEIN COIN MAGIC** is destined to become a classic, and the book against which all future books on coin magic will be measured.

Here's what the experts have to say...

"Michael Rubinstein has created a major contribution to the cannon of coin magic. If you love coin magic, you are going to find inspiration, and a lot of terrific ideas, all presented in a beautiful package."

- **John Carney**

"The body of work you have created is very impressive."

-**Stephen Minch**

"It is very difficult to fool magicians using sleight of hand. Michael has been fooling me with his coin magic for more than 40 years. Now I get to learn how he did it. This a monumental work in the field of coin magic and I highly recommend you get it and study what he has to offer."

- **Meir Yedid**

"Inside this beautifully produced book you will learn the nitty-gritty details to pure sleight-of-hand coin magic. A lifetime of work is concentrated in this overwhelming tome."

- Steve Cohen, Chamber Magic

"The big, important magic book has returned at last, and it's about Coins! Michael Rubinstein and a small army of conspirators have created a frightening amount of solid commercial magic and crushed it between two covers for your delight, discovery and eventual deployment. Classics are revised, card effects transformed, and strange new things brought to life. Do not miss this."

-Curtis Kam

"Every 10 years or so in magic, a book comes out that is a game changer. Dr Michael Rubinstein has finally shared his magnum opus, his legacy. If you truly love pure sleight of hand with coins, look no further. Jump down the rabbit hole and be prepared to learn some of the finest coin magic in history. I promise you the journey will enlighten you!"

- John Carey

"WOW! What an absolutely Outstanding book for anyone wishing to study coin magic and become a sleight of hand expert using coins!!!! Excellent pictures throughout the entire book and the simplified text makes it easy to understand as well as enjoy!!! I have to say it's the latest Amazing & Best book on the market since David Roth's Expert Coin Magic!!!"

- Mickey Silver

"Buy this book! It is clearly written, easy to understand and the photographs document all the details you need to learn this wonderful material. The result is encyclopedic, but understand that the techniques and routines are polished over time through performance. It's impossible to cover the scope of the book. Be prepared to take a 'Deep Dive' into a wonderland of amazing magic. Michael Rubinstein's Rubinstein Coin Magic is an instant classic. I know that I'll be reading it for years to come! It will open your mind to a new horizon of visual coin magic."

- Bob Kohler

"I've always been impressed with Michael Rubinstein's creativity and skill with coin magic. His new book, "Rubinstein Coin Magic" is a MUST read for any serious student and practitioner of this art form. Allow me to put it this in simpler terms. There are few books on coin magic that have changed the landscape of this beautiful art form: Bobo's Modern Coin Magic, David Roth's Expert Coin Magic, and now... Michael Rubinstein's Rubinstein Coin Magic."
