
Neoteric by CardCutz - Pokerdeck

Fun, bright & bold! **Neoteric Playing Cards** by CardCutz feature a range of geometric shapes throughout the deck with a fun and unique color palette. Make the deck come to life by riffling through the cards to see the silver ball move and dodge the obstacles!

The deck's fun colors don't stop with the back design. The face cards are bright and angular, making the courts stand out. Perfect for cardistry!

Printed by the U.S. Playing Card Company on a crushed stock with a traditional cut.
