
Jaspas Deck 24k Edition - Pokerdeck

Introducing **Jaspas Deck 24K Edition Playing Cards**:

Indulge in opulence with **Jaspas Deck 24K Edition Playing Cards** limited to just 999 decks.

Golden cold foil backs the mesmerizing golden cold foil backs of **Jaspas Deck 24K Edition** command attention. Each card is adorned with lavish gold foil that radiates extravagance, ensuring that every shuffle is a spectacle to behold.

New foiling technology unlike traditional hot foil techniques that leave behind unsightly indentations, our innovative method promises maximum shine without compromising on quality. Brand new stock and finish Featuring a new thinner stock and finish combo, **24K Jaspas** decks are more comfortable than any deck we've produced before.

The faces of the cards feature black and gold foil pips to represent standard black and red cards, creating a striking visual presence for any cardistry, magic or game playing experience.

Note: **Jaspas Deck 24K Edition** playing cards are not made of literal gold.
