
Conjurer's Wisdom by Joe Hernandez - Buch

This is a funny, entertaining and inspirational collection of more than 3,000 magical facts, fallacies, wit and confabulations by Joe Hernandez.

Open to any page, read any quote, and be ready to ponder about what magic is and is not. Explore these facts and fallacies, and read many of Joe's favorite oxymorons, redundancies, euphemisms, opinions, questions, observations, and confabulations. Many are interesting thoughts, assumptions, musings, and some are downright dim-witted. As you read each quote, give it some thought, use them in your performance, combine a few or change the quote to fit your needs.

Published by Joe Dez Publications in 2019. 244 pages, 6x9 inch, soft cover.

"Joe Hernandez has created a wonderful, eye-opening, and humorous book of quotes that's a must read for all magicians."

- **Tom Gagnon**

*"**Conjurer's Wisdom** is quite the collection of magic-related observances, witty sayings and advice. You'll laugh, you'll think, you might even change the way you perform. It's a fun book written from the heart."*

- **David Malek**

*"The perfect bedtime book. Open to any page and read amazing nuggets of wisdom that will make you think how to improve your magic. **Conjurer's Wisdom** is a fantastic book well worth reading. If this book does not make you think about your magic, you don't have a brain!"*

- **Marc DeSouza**

"Joe has written an extensive and impressive collection of thought-provoking quotes that will make you laugh, ponder, and jumpstart your creative juices. Each page is full of small gems that will have you rethinking your approach to magic."

- **Will Fern**
