Wonder Card by Wonder Makers

Wonder Card is one of the most practical and visual way to produce money from your credit card just in 1 second! Now you can cash out money directly from your credit card into the spectators hand! Using ordinary lighter you can see your money balance. 7 incredible magic effects in one credit card!

7 effects in one credit card:

1. **Fire Balance**: You can check your money balance using ordinary lighter or just your finger. It looks very magically and smooth. Card recharges automatically.

2. **Easy Money**: You can show your empty hands and than a real bill will appear in spectators hand. Your spectator will not feel anything sneaky. Just pure magic.

3. **Compact ATM**: Cash out any bill from credit card in 1 second. Very clean and visual way to produce money from your credit card.

4. Bill in to Coins: You can change any bill into real steal coins.

5. **Mental Bill Change**: You will able to predict a serial number of any bill. With **Wonder Card** gimmick you can easily switch spectators bill to your bill and you already know what is the serial number of it. This is the most invisible way to switch a bill or make a cool color change.

6. **Illegal Money**: You can take out money directly from spectators card simply by rubbing the magnetic tape of your card. And a bill will appear between two credit cards.

7. **Safe Currency**: A spectators name any currency from the world and you show them a prediction on the hologram. Inside the box you will have 2 credit cards - gimmicked and ordinary one with prediction on the hologram to hand it out for examination. At this point you are completely clean.

Fast Reload: Card reloads by itself. 30 seconds and your magma-tic tape will be black again for next performance or you can use a gas from a lighter and wait only 1 second.

360 ANGLE PROOF: The angles are so easy that you will forget about them and

just focus on the performance.

Always in you wallet: The gimmick looks like ordinary credit card so nobody will see the difference. And you are always ready to perform.

Video Tutorial: Inside you will have a video tutorial with all secrets, mechanics and bonus effects in English and Russian language.

Easy and Visual: Your spectator will go crazy because all the effects are very visual and easy to do.
