## Lucky - Pokerdeck

According to Irish legend, if you are lucky enough to capture a Leprechaun you can barter for his treasure. As a child I was fascinated by these little men that stand about as tall as a three - year - old, pinch you if you don't wear green on St. Patrick's Day and hide gold at the end of rainbows. I have wanted to create a deck based upon this legend for quite a while. Today, I have achieved that goal.
