
Eugene Burger on Matt Schulien's Fabulous Card Discoveries - Buch

This material was a feature part of the acclaimed lecture Mr. Burger gave at the sixth **Las Vegas Desert Seminar**, on three great card locations.

Mr. Burger gives you his handling of some of Matt Schulien's famous effects. He covers six effects, including the now-famous **Card Under the Tablecloth**. You also get Eugene's in-depth thinking on how he handles the effects. This is so well routined you can do them. This is solid, professional material.

These copies are from the 1983- 2nd printing of this booklet and are not used but in very good condition for being stored since 1983.

Six chapters include:

- The Trick and the Effects
- A Memory
- Card in the Matchbook
- Corner in the Glass
- Card Under the Tablecloth
- On Imitation
