## **PENIC by Nemo & Hanson Chien**

*"PENIC is 100% designed for workers, super practical."*

**- Hanson Chien**

After the release of T-1000, Nemo, the creator, brings you his latest release, "**PENIC**". Make a pen suddenly appear in a flash! Display and hand it out for examination or use. Panic your spectators with **PENIC**.

A marker is needed in many magic effects, and "**PENIC**" will elevate your performance greatly! The following are included in your package: flash cotton, two gimmicks, and a marker. You can perform it shortly after opening the package!

Features:

- Easy to use
- Easy to carry
- No electronics
- Marker can be examined
