## Monarch Royal Edition (Purple) by theory11 - Pokerdeck

The best-selling luxury deck of all time - now in a vibrant, new color edition.

**Monarch Playing Cards** started it all. You've seen them in the pages of GQ - and Hollywood blockbusters like *Now You See Me*, in the hands of Morgan Freeman. Monarchs became an international bestseller, with some editions selling for \$900+ a deck on eBay. Today, a new member of the royal family is born, in a vibrant, regal, purple color palette.

### Playing Cards Fit For a King

They look like they belong in a palace. Gold foil surrounds the elegant, dark purple box design. The paper itself has a soft-touch feel, with a vintage, timeless aesthetic. They're breathtaking inside and out.

### The Gold Standard

**Monarch Playing Cards** is 100% made in the USA on FSC-certified paper derived from sustainable forests, using vegetable-based inks and starch-based laminates.
