## What the Tarot Holds by Phil Tilson

Phil Tilston's **What The Tarot Holds** takes a classic effect and gives it a spooky new twist. Perfect to perform any time of the year, **What The Tarot Holds** will certainly engage and amaze your audience.

**What The Tarot Holds** comes complete with beautiful, aged looking Tarot cards (major Arcana) and online video instructions.

**What The Tarot Holds** uses no sleight of hand and is totally self-working, so it's perfect for the beginner as well and the seasoned pro!

Comes complete with Tarot cards and online video.

\* Please note the Tarot cards are a different design from the one used in the performance. We have gone for a less colorful, more aged design.
