
Gumbelievable (DVD and Gimmicks) by SansMinds Creative Lab - DVD

What's real magic to you?

To us, it's magic you can do with everyday objects.

It needs to be visual and it needs to look like it's totally unintended.

Gumbelievable is our pet effect that we do day in and day out in casual settings.

A visual effect that's light and breaks the ice.

Check out the trailer!

What you receive:

- 1 gimmick pack
- 1 instructional DVD

TV rights not included with purchase. Please contact SansMinds for TV rights.
