DO THEM WITH TWO OR FOUR HANDS!

In a new monographic work by Grupokaps, **Dani DaOrtiz and Woody Aragon** cover the fascinating theme of "magic with four hands." Although these effects could be performed by a single magician, they are designed to be able to be done together with a magician friend, in any time and situation. This work covers the theme of "The magic with four hands", from different points of view, whether the two magicians participate in the trick, helping each other, or even in the distance.

ALMOST 15 INDEPENDENT TRICKS AND ROUTINES

Poker, memory, luck, cards at the number, by phone, predictions, divinations, trips, color changes, thought-of cards... almost 15 great effects, extracted directly from the professional repertoire of **Dani and Woody**, and explained to the fullest detail.

EASY TO PERFORM. HAVE FUN WITH THESE.

Although you will find routines of all tastes and colors, most are easy to perform, and just a few rehearsal sessions in conjunction with your magician friend will guarantee the success of any of them. Designed directly for you to have fun.

EXTRA MATERIAL!

In addition to a new routine as an extra, these DVDs contain two of Dani DaOrtiz's rehearsals with Luis Piedrahita, for their four-handed routines, broadcast on one of the top audience programs in Spain.

Great collection on three DVDs.

Does NOT come with subtitles.
