
The Bouquet (Red) by Bond Lee & MS Magic

Visually stunning, meticulously crafted, yet requires very little practice to perform. A perfect effect for working professionals and stage performers. **The Bouquet** is inspired from the classic blooming rose effect and we made it extremely portable for you.

Effect: The magician holds a bouquet with no roses at the start. Then, magically, numerous red roses begin to emerge until the bouquet is filled with beautiful roses.

Specifications:

- Size: 23cm x 20cm x 42cm
- Contains 9 red roses
