
WoW Ink by Victor Voitko

An unbelievable amount of effects with this one trick. This pen will add rare abilities to your everyday magic routine.

And now with the help of this pen, you can:

1. **Vanish:** Erase ink from any surface, anywhere.
2. **Transport:** Transport ink and also turn it into any inscription.
3. **Hands prediction:** You can turn a line on your hand into a prediction.
4. **Appearance:** You can make any small object appear just by drawing it on your hand, or on an audience member's hand.
5. **Balance:** Impossibly balance this pen right on your fingertip.
6. **Prediction:** This pen also includes a card prediction that will add uniqueness to your card routines.

And just for you, inside there is also a bonus.

- Telekinesis effects
- Balance of the pen on a spectator's phone
- Trick with your phone and much more...
