
Enlarge (DVD and Gimmicks) by SansMinds - DVD

Technology has such an intimate relationship with people in this day and age.

People practically live off their phone.

Enlarge by SansMinds Creative Lab is a commercial effect that's designed to surprise people with what they believe they already know about technology.

It's easy to do, practical, and gets unbelievable reactions from audiences of all ages.

We've taken it out on the streets and entertained people across the heart of Vancouver.

Enlarge is a modern day crowd pleaser you need to check out.
