
Dragon Puppet by Mr. Magic

Here's a puppet loaded with personality just by looking at it! Your arm goes into the sleeve, and your hand goes into its face, allowing you to open and close its mouth, tilt or bow its head, ANYTHING! Kids and adults alike love this puppet, as you breathe life into it.

Use your creativity to find ways to include this puppet in your performance. It could even help you with magical effects. AND... the comedy value is priceless! Used in a funny manner, children will scream with laughter!

You'll find many ways to entertain your audience with this colorful crowd pleaser!
