
Bill Breaker by Smagic Productions

Performing magic with money is always impressive to spectators - it keeps them interested!

Now from Smagic, we have changed the rules -- place a stack of white paper on a card box, and instantly and visually the stack turns into a wad of bills! Your spectators will have absolutely no clue as to how it is done - it's magic! This is a new, crazy method that you will love to perform.

- No cover angle
- Instant reset
- Ultra visual
- No assembly necessary
