
STREET POUCH by The Ambitious Card

Entry level apron style pouch by The Ambitious Card. This is similar to the Cellini pouch. This is a great pouch at a great price for anyone wanting to try busking where huge loads for the Cups and Balls isn't necessary.

Relative load size: 4 limes and an orange.

This pouch is useful for busking and as a servante attached to a table. The pouch is usually worn in front. The pouch looks like 2 pockets but is actually just one. Items can be passed from one side to the other.

This pouch is very comfortable to wear, rolls up easily for storage/travel.

Features:

- Inside flat pocket for small objects toward the body
- The pouch has long leather laces that wrap around the body and tie like any apron.
