## **PARLOR PLUS POUCH by The Ambitious Card**

Excellent busking pouch by The Ambitious Card.

Relative load size: 5 oranges and a coconut.

This pouch is useful for busking and as a servante attached to a table. The pouch can be worn in front, on the hip. It's lighter weight than the Busking Pouch and doesn't hold quite as much, but will still hold a lot. This pouch is very comfortable to wear, has a softer construction than the busker pouch, and is easier to roll up and store.

Features:

- Outside soft pockets in front and on the sides -- great for getting and ditching items.
- Inside flat pocket for small objects toward the body.
- Beautiful leather.
- Lined on the inside and the back.
- Supply your own belt.
