
VISION NOTE by DUY THANH

Sketch to objects is a classic effect. We at Smagic Productions introduce you a new concept for sketch to objects. It's a clever method and is hyper visual. Gets huge reactions anytime, anywhere. It utilizes a notebook that you can carry anytime, draw an object, and visually make it real.

- Ultra Visual.
- Easy to do - instant reset.
- Effects limited only by your imagination.

Check it out now. **VISION NOTE NOW.**
