## Super Mega Card Miracles with Cameron Francis (BBM191)

A mega collection of closeup card magic miracles from actor/magician/international-man-of-mystery Cameron Francis. **Super Mega Card Miracles** is the definitive collection from this renowned Floridian pasteboard tamer.

It features Cameron's absolute favorite Top 10 (except there's 12) routines from nearly two decades of creating. These are the tricks he has honed, sharpened and refined and now calls his party pack. These are his audience slayers... his own personal rat pack... the crew he calls on to take down anyone/everyone.

Blockbuster routines, ingenious (and easy) handlings... this is distilled Cameron Francis. Commercial, engaging, FUN magic.

Card tricks you WILL PERFORM!!!
