
Deluxe Edition Trinity Coin Set (DVD) by Johnny Wong

Deluxe Edition Trinity Coin Set is a fine magic gimmick newly upgraded this year (2019).

It contains three types of coin parts, and they look just like a regular half dollar.

With this set, you are able to perform various and enhanced coin effects, due to these very clever gimmicks.

All coins are examinable after your performance.

Imagine a half dollar suddenly turns into three different type of coins and vanishes immediately, and vice versa.

The infinite imagination and creativity in using this coin set is left for you to explore.

DVD with instruction demo contains routines listed below:

- 3 Coins Quick Move
