## Limited Edition Wolfram V2 Rouge et Noir Collection Set - Pokerdeck

**LIMITED EDITION: Only 1111 printed! Will NOT be reprinted.**

Be Attractive Be Useful

Focus on magic, cardistry, challenge the limit, produce beautiful designs with strong functions.

The primary tone of this deck of cards is red and black, and both of them are rich. The red highlights the richness of the black and leaves space for imagination; whereas, the black holds the brightness of the red. The red shows up well against the black and jumps out at first glance. The red and black colors are classically matched and demonstrated with the **Wolfram V2 Rouge et Noir Playing Cards**.

This deck of cards is packaged in a luxury gift box, and is of high quality for collection. Each set of **Wolfram V2** includes a certificate with an individual number, a deck of **Wolfram V2**, and a special card case.

- Combination of classical seal and modern papermaking technology
- Limited to 1111 decks
- Air-Cushion finish
