
The Peek Note Wallet by secret Tannery

The Peek Note Wallet by Gerard Kearney is the latest edition to the Secret Tannery's line. A functional everyday wallet with a devastating peek. With space for more than 10+ business cards/credit cards and a currency compartment that fits all currencies, you'll always be ready to "perform in style". Along with the wallet, you will receive an instructional download with tips and psychological ploys that are sure to blow the minds of your spectators.
