
Business Card Stickers by Alan Wong

Now you can perform card tricks, predictions and be able to keep giving away memorable magic souvenirs with your business contact! And you'll be using a different playing card every time!

Includes one full deck of 52 card stickers plus a few additional bonus stickers that fit nicely on the back of a business card, so you can use them for your business cards, your customers, your potential customers, and your corporate show company's business cards.

Business card size card stickers each measure 43 x 60mm and are made to fit on most standard size business cards. In fact, you can stick them anywhere you want and create your own desirable effects!
