
Ali Bongo's Growing Hat by David Charles and Alan Wong

This is a classic item created by Ali Bongo and is still one of the best bits of business for the children's entertainer. You can use it in any routine where you have a child helping you. The hat grows and grows until finally it becomes a real green giant's hat! **Ali Bongo's Growing Hat** will give your audience three or four minutes of pure entertainment. Complete and ready to work with David Charles's own routine and handling.

New model made in thinner and more durable composite plastic material, guaranteed to last a very long time.
