
FLUID-2019 Edition By CardCutz - Pokerdeck

LIMITED EDITION: Only 2988 printed! Will NOT be reprinted.

Produced and distributed by CardCutz, **FLUID-2019 Edition Playing Cards** features a vibrant and captivating card back filled with a flowing design, allowing cardists and performers to enhance their routines. Inside, you'll find completely custom face and number cards featuring the deck's fluid design and vibrant colors, while still maintaining the classic face design we all know and love.

It was designed by popular playing card designer, Adrian Valenzuela, who is famous for designing iconic decks such as the Memento Mori series. We know you will love **FLUID-2019!**

Printed on a crushed stock by the U.S. Playing Card Co.

Limited edition of 2,988 decks.
