## **Pro Mic Holder (Black) by Quique marduk**

Here's the perfection solution to the age-old microphone problem for magicians!

It allows you to move away from the mic stand.

It enables you to perform magic without worrying about holding a mic.

No more worries about headset mics that don't work with the amplifier/speaker.

Simply attach the microphone to this device that fits around your neck - problem solved!

- Helpful
- Elegant
- Comfortable
- Use with any mic
- Fits in a pocket
