
P&L Foo Can by P&L

This very special prop can make any liquid vanish or appear at will. Turn the can upside down to prove that it's empty. Drink a glass of water. In a moment, slowly turn the **Foo Can** over and the water or liquor pours out of it into your glass. Perfect to use with the P&L Lota Bowl.

Made of brass, highly chromed, beautiful construction.

Comes with a box with instructions. Stand about 5" tall.

Hallmarked P&L - Very nice!
