
Into Thin Air 2.0 Red (DVD and Gimmick) by Sultan Orazaly - DVD

Making a solid object vanish has never failed to spark a sense of wonder in spectators' hearts.

Magicians have worked on numerous ways of vanishing a card, but none of them is as visual and easy as this one.

Introducing **Into Thin Air 2.0**. Our friend Sultan Orazaly from Kazakhstan has gifted us with this incredible effect of making your spectator's selection instantly vanish without any cover.

Although it is an amazing effect on its own, just imagine how much stronger the routines from your repertoire would be with this effect! Card to Pocket, Sandwich, Card to Ceiling, you name it.

Now it is your turn to upgrade your working repertoire with this hyper visual vanish with limitless possibilities.

What you receive:

- One professionally crafted gimmick (RED or BLUE option available)
- One Instructional DVD

TV rights not included. Please contact SansMinds for TV rights.
